Attention is respectfully invited to the President's letter where it is stated that "the question of the exchange of land with the Amin Jaghirdar did not "

approval of Government" This does not seem to be correct as in G.O. No. 915/2nd 176-8D dt 27-7-1910 it is stated as follows "It is noted that the proposal to take up the land belonging to the Jaghirdar of Ettrne and giving him another bit in exchange has been dropped"

This remark was based on para 4 of the Pres^dcy letter No 2838 dt 7-6-1910 where it is stated that the Jaghirdar was not inclined to pay anything for the excess land to be given to him by the City Municipality

The President's statement referred to in para 1 supra seems therefore to require to be objectionably worded amended before transmission

Dear Sir,

In returning herewith your letter No. 568 24-8-1910 to the address of the President & Members of His Majesty in Council, forwarded to this office for transmission through the Residency, I am directed to draw attention to the last clause thereof viz:- "since the question of the exchange of land with the Mani Jaghirdar did not require the approval of Govt." This statement is does not appear to be correct as what was said in G.O. dt. 915/ml 176-08 dt. 27-7-1910 was:- "It is noted that the proposal to take up the land belonging to the Mani Jaghirdar and giving him another plot in exchange has been dropped
